The following questions provide an opportunity for you to express your interests to us. Please take time to answer all the questions thoughtfully and completely. **By completing the above section you have agreed that the responses are your own words and thoughts.**

1. How did you find out about the Intern Explainer Program? Why do you want to join the program?
2. What are your interests? Favorite subjects? Extra-curricular activities?
3. What is your experience with science? Which subjects have you taken?
4. What type of experience do you have working with children or teaching?
5. Have you ever had a job or internship before? What did you do? What do you see yourself doing in five years?
