

Wetland Bingo!

How many of these plants and animals can you find along the Mitsubishi Wild Wetland Trail?
Find any four across, down, or diagonal and you have wetland bingo!

 snails	 red-winged blackbird	 dragonfly	 muskrat or beaver lodge
 turtle	 freshwater marsh	 hawk	 goose
 arrowhead	 duck	 cattails	 water lily
 wading birds	 butterfly	 muskrat	 frog

A Wetland Poem

Be quiet and still in the wetland.

Croaking frogs

Chirping birds

Rustling muskrats

Quacking ducks

Creaking winds through the cattails

Shhhhhhhh...

These are the sounds of a wetland.

In the space below, write down what you see, hear, and smell as you walk along the Mitsubishi Wild Wetland Trail.
