2 cups cooked cranberry beans, drained

¾ cup 365 Everyday Value® Expeller Pressed Canola Oil

365 Everyday Value® Organic Black Peppercorns, ground

Instructions
Prepare a hot fire in a charcoal grill, or preheat a gas grill to high. Brush the zucchini, squash, and corn with oil. Season the vegetables on all sides with salt and pepper. Grill the zucchini and squash until crisp-tender and grill-marked on both sides, about 10 minutes. At the same time, grill the corn until lightly browned, turning to cook on all sides, 4 to 5 minutes. Transfer the zucchini and squash to a cutting board and finely dice, then empty into a large bowl. Cut the kernels from the corn and add to the bowl along with the beans and the yellow and red tomatoes. Add ¼ cup vinaigrette and toss to coat. Season with salt and pepper and toss again. Serve at room temperature or cold.

For the vinaigrette:
In a small bowl, combine all the ingredients and whisk to blend. Cover and refrigerate for at least 1 hour, or up to 10 days.
