GROW MORE VEGETABLES CERTIFICATE SERIES

Wednesdays, February 14, 21, 28, and March 7, 14, 21 • 6–8 p.m.

New York Botanical Garden • Watson Education Building

The Grow More Vegetables Certificate Series is an edible gardening course designed to equip community gardeners, teachers, and city residents with the best organic techniques for growing vegetables safely and effectively, particularly in an urban setting. The program consists of six classes, both in the classroom and with hands-on gardening instruction in the field. Each student will have the opportunity to design his or her own urban vegetable gardening project as a final component of the course. The projects are open-ended with two main goals: to grow more food and to pass on what will have been learned to an identified group in your community. To apply, go to <http://tinyurl.com/GrowMoreVeggies2018>. You may also request a mailed application by emailing us at bronxgreenup@nybg.org, or calling us at 718.817.8026.

WORKSHOPS: GREENTHUMB GROWTOGETHER CONFERENCE

Saturday, March 31 • 9 a.m.–4 p.m.

Borough of Manhattan Community College • 199 Chambers Street, Manhattan

Bronx Green-Up will be offering workshops with topics to be determined at a later date. Visit our information table for free tip sheets, pamphlets, and workshop schedules designed to help gardeners increase their horticultural expertise. For more information, visit greenthumbnyc.org.
