WORKSHOP | WEED WALK & PLANT ID

Saturday, July 13 • 11 a.m.–12 p.m.

Taqwa Community Farm • 90 West 164th Street between Ogden Avenue and Nelson Avenue

A weed is just a plant out of place. If we know which weeds are in and around our garden, we may put some of them to productive use. Join us for a stroll around Taqwa Community Farm to begin identifying those weeds.

BRONX FOOD & FARMS WALKING TOUR | SOUTH BRONX GARDENS AND MARKET

Saturday, July 20 • 10:30 a.m.–2:15 p.m.

Meet the tour guide by 10:30 a.m. at the Cypress Avenue 6 Train stop (in front of Iglesia De Dios). Tour leaves promptly at 11 a.m. Returns from La Finca Del Sur at 2:15 p.m.

This tour features the bounty of fresh food grown here in the Bronx and available at local farmers markets. Visit the flourishing 138th Street Community Garden and Padre Plaza, which boast food production, a Wednesday market, and seasonal events in the garden. We'll dine at Brook Park, a community hub for green growth, not just of plants but also of people. Then we'll stop at the South Bronx Farmers Market to allow for some shopping of farm-fresh produce on the way to our final stop, La Finca del Sur Urban Farm, whose crops contribute to the community market.
