

Hortulus Animae: Junior Landscape Architect / Designer - Project Manager

Our Catskill NY based landscape design firm, **Hortulus Animae** seeks a junior landscape architect / designer to join our growing team to start as independent contractor, preferably with horticultural background and expertise to help with drafting, designing, rendering, site visits, vendor oversight, installations, master plans, planting plans, hardscape details, etc. The ideal candidate could quickly move into a full-time position.

Glean from Jean-Marc's 10 years of experience, work in a collaborative environment and get to know the inner workings of a small design practice. Enjoy flexibility, gain steady income. The Ideal candidate is currently working independently but may want more consistent income, with future room to expand.

Responsibilities / Duties

Project management, drafting, rendering, site visits, vendor oversight, installations, master plans, planting plans, hardscape details, etc

Qualification / Requirements

- Drafting skills essential, both manual and digital, 3D & 2D
- Software proficiencies: AutoCad, Vectorworks, Sketchup GIS data
- Landscape Architecture Degree
- Landscape Design experience 2-5 years
- Landscape construction details
- Planting Design
- Horticulture
- Hardscapes
- Access to the Hudson Valley area required

Commitment:

Position will be on a contract / project basis, with opportunity for future growth. We anticipate some in-person work, in our Catskill office, and the ideal candidate has reasonable access to the Hudson Valley area and is based nearby for convenient site visits as needed. Some remote work is also required.

About us:

Hortulus Animae is an award winning (ALSA, APLD) niche landscape design studio providing integrated full-service solutions for residential landscapes and estates in the Hudson Valley and beyond. We provide exuberant plant-driven design with an emphasis on sustainability and ecology.
