**GEDNEY FARMS IS AN EQUAL OPPORTUNITY EMPLOYER**

**Job Description**

Located in southern Westchester, Gedney Farms Nursery is a wholesale/retail lawn and garden center with a full line of horticultural and masonry products. We have had a long history in our location. Gedney Farms Nursery prides itself on catering to the wholesale community of landscape contractors, architects, and developers, along with performing custom retail operations and services for individuals and families.

This will be a diversified position that will require a “whatever it takes” attitude to excel in the role. If you are flexible and possess a roll up your sleeves approach, this job is for you!

**Job Responsibilities:**

- Assist in planting and growing products.
- Assist in supervising greenhouse staff.
- Customer Assistance.
- Product Maintenance and Care.
- Overseeing daily operations of greenhouse.
- Managing/Scouting nursery stock.
- Assist in receiving nursery stock.

**Job Requirements/Qualifications:**

- Associates Degree required.
- 4-5 years of greenhouse experience.
- Spanish-Speaking a plus, but not necessary.
