Method of Payment

Payment is on a class-by-class basis and is due at the time of registration for each individual class, until the balance for the full tuition is paid.

Refund Policy

A. A student who cancels within 7 days of signing the enrollment agreement receives all monies returned with the exception of the non-refundable registration fee.

B. Thereafter, a student will be liable for all of the following:

1. the non-refundable registration fee
2. the cost of textbooks and supplies
3. tuition liability as of the student's last date of physical attendance

Because students pay tuition on a class-by-class basis, tuition liability is based on the cost of each individual class. Total tuition liability is limited to the courses the student is enrolled in when the student withdrew or was terminated and any previous quarters completed.

The charts below indicate how much a refund would be in the event that a student has to withdraw or cancel their enrollment in particular courses during the program.

First Quarter

Intro to Plant Science	\$562	\$421.50	\$28	\$140.50	\$0

To withdraw from a class and request a refund, please contact ContinuingEd@nybg.org. The failure of a student to immediately notify the Continuing Education department in writing of their intent to withdraw may delay a refund of tuition to the student pursuant to Section 5002(3) of the Education Law.

Although placement assistance is available, the school cannot guarantee a job to any student or graduate.
