

NYBG CORPORATE MEMBERSHIP

Perks with Purpose

Give your team a space to recharge, reflect, and reconnect with nature. Engage and inspire your workplace with benefits like:

- Free admission to the Garden grounds and special exhibitions for employees and guests
- Corporate volunteer opportunities including forest restoration, horticulture projects, and gardening programs
- VIP guest passes valid for free parking and free admission
- Access to unique experiences for corporate groups like behind-the-scenes tours, after-hours events, and team-building activities

Corporate membership is a benefit to your people, and a gift to the planet—supporting education, discovery, and a lifelong love of nature. Your partnership helps us:

- Care for 250 acres of living collections and green space in New York City
- Teach people of all ages to become the next generation of environmental stewards
- Expand Bronx community access to nature through food donations, training in community gardening, and free Garden admission programs
- Advance global plant research in NYBG's ongoing work to address our planet's dual climate and biodiversity crises
