AFRICAN EGGPLANT PARTICIPATORY BREEDING KICKOFF • CORNELL COOPERATIVE EXTENSION

Thursday, March 5th • 1 p.m. to 2 p.m.

Virtual Event

Join us to learn about the Cornell African Eggplant Research Project and learn how you can participate! African eggplant, also known as Bitterball, Garden Egg, Kittley and other names, is an important crop for many members of our community with heritage from regions such as sub-Saharan Africa, Southeast Asia, and Brazil. Since 2024, the Cornell African Eggplant Research Project has been collaborating with growers and community partners across New York to develop high-quality varieties adapted to the Northeast U.S. In this meeting, we will share information about growing and preparing African eggplant, highlight our research to date, and invite partners to collaborate with us in our 2026 participatory breeding and variety selection efforts!

LOCAL ACTION COMMITTEE MEETING • SOUTH BRONX UNITE

Thursday, March 5th • 6:30 p.m. to 8:30 p.m.

South Bronx Unite • 127 Lincoln Avenue

In 2024, the Mayor's Office of Climate and Environmental Justice (MOCEJ) released the EJNYC Report outlining the historical and ongoing environmental justice issues impacting New Yorkers. Building on this report, MOCEJ is now developing a citywide Environmental Justice Plan to address the inequities identified in that very report. At this meeting, the Mayor's Office of Climate and Environmental Justice will provide an overview of what the EJNYC Plan will be and proposals currently in development.

MASTER COMPOSTER INFORMATION SESSION • LES ECOLOGY CENTER

Monday, March 9 • 6:30 p.m. to 7:30 p.m.

Virtual Event

Do you have questions about the Master Composter program or community composting efforts in NYC? Join our virtual information session! The session will cover whether the Master Composter course is a good fit for you, what you can do with the certificate once completed, a tutorial on navigating Regpack, topics covered in each workshop, and recommendations on what order to take the workshops. Bring your questions!

VAN CORTLANDT NATURE GROUP WALK • VAN CORTLANDT PARK ALLIANCE

Sunday, March 15 • 10 a.m. to 11:30 p.m.

Van Cortlandt Nature Center • Van Cortlandt Park

Take a slow walk in the park and learn about local flora and fauna with naturalist Debbi Dolan. In March we will be on the lookout for signs of Spring. Trees will begin to burst into vibrant green leaves. Pussy willows and Lenten roses will return to delight our eyes. Perhaps we will spot a killdeer or Eastern Phoebe, or we will find some yellow-bellied sapsuckers lapping up sweet sap beginning to flow with the spring thaw.

AGRICULTURE IMPACT SUMMIT • UPTOWN & BOOGIE HEALTHY PROJECT

Saturday, March 21st • 9 a.m. to 3 p.m.

The Forum at Columbia University • 601 West 125th Street, New York

The Agriculture Impact Summit is a one-day event focused on agribusiness and small-scale agriculture. This summit will highlight how entrepreneurs, growers, and food-based businesses use innovative technology and sustainable practices to scale their operations. Through panels, workshops, and presentations, attendees will gain practical insight into business development, market access, and emerging opportunities in modern agriculture. Attendees will also receive complimentary professional headshots to support their career growth and brand visibility.

GENERAL RESOURCES

YOUTH EMPOWERMENT PIPELINE • GREEN GUERILLAS

Applications due March 5th

The Youth Empowerment Pipeline (YEP) is a paid opportunity for NYC youth ages 17–21 who want to learn practical skills, work in community gardens, and be part of something rooted in care and justice. Participants gain hands-on experience, mentorship, and leadership skills while supporting food access and green spaces across the city. No prior experience is required—we meet you where you are and learn by doing. If you're looking for paid work that connects you to the community, the environment, and other young people, YEP may be a good fit. Applications close March 5th.

TRAININGS

NUTRITION 101 WEBINAR • NYC CENTER FOR HEALTH EQUITY & COMMUNITY WELLNESS

Tuesday, March 10 • 6 p.m. to 7 p.m.

Virtual Event

Nutrition 101 is a one hour easy-to-understand workshop designed to help people learn the basics of healthy eating. This workshop is perfect for anyone who wants to feel more confident about making healthy food choices in everyday life.

[Learn More](#)

URBAN AGRICULTURE FOOD SAFETY WEBINAR • CORNELL COOPERATIVE EXTENSION

Wednesday, March 11 • 12 p.m. to 1:30 p.m.

Virtual Event

Urban and small-scale producers are encouraged to join us for the Urban Ag Food Safety webinar, featuring speakers from Cornell Cooperative Extension and Cornell IPM. We will explore the 'why' behind food safety, providing a basic overview and diving into specific urban ag considerations including water, pest, rodent, and soil health challenges. We will touch on the regulation and marketing landscape and share resources for learning more.

VOLUNTEER OPPORTUNITIES

RESTORE THE RIVER CORRIDOR • BRONX RIVER ALLIANCE

Volunteer with the Bronx River Alliance to protect and restore the Bronx River ecosystem! Clean up debris in Starlight Park, plant trees in the Bronx River Forest, maintain rain gardens, and learn more about river stewardship.

[Learn More](#)

PARK RESTORATION • BRONX IS BLOOMING

Volunteer with Bronx is Blooming to restore neighborhood parks across the Bronx. Help maintain local greenspaces by caring for young trees, removing invasive species, planting, mulching, and more.

[Learn More](#)

COMMUNAL GARDENING PROJECT • BISSEL GARDENS & PRAXIS

Volunteer with the Bissel Gardens communal gardening project. We'll share the sowing, maintaining and the harvest! We'll grow for ourselves and for others, and you'll be a part of it. Don't like to dig but like to participate in community activities? We've got you covered, there's a variety of garden maintenance that doesn't involve digging, and we also need help with social media. We're in two Wakefield locations in the Bronx. Email connect@urbancultivated.com with any questions.

**NYBG
BRONX
GREEN-UP**

As the community gardening outreach program of The New York Botanical Garden, Bronx Green-Up provides horticulture education, training, and technical assistance to Bronx residents, community gardens, urban farmers, schools, and community organizations.

Contact us: brongreenup@nybg.org | (718) 817-8086

OPEN ACCESS GREEN SPACE STEWARDSHIP · CHESTNUT STREET GARDEN

Chestnut Street is a guerilla gardening experiment in open access, public green space. Join our weekly workdays on Sundays from 12pm until dusk to maintain the pollinator garden, remove weeds, and do general maintenance. Please keep in mind that the space is undergoing a lot of changes and may not always be accessible to all. Please email us at chestnutstreetgarden@gmail.com with any questions.

PARK AND PLAYGROUND CARE · FRIENDS OF MOSHOLU PARKLAND

Contribute to the parkland, edible garden, and community by volunteering for compost duties, pruning, weeding, harvesting, cleaning, trash pickup, and maintenance. Volunteer at the Edible Garden Monday through Friday and for playground patrol at Kossuth Playground, Mosholu Playground, Whalen Playground, Williamsbridge Oval Playground, Knox-Gates Playground, French Charley's Playground, and Frisch Baseball Field.

[Learn More](#)

SOUNDVIEW PARK CLEAN-UP · FRIENDS OF SOUNDVIEW PARK

Help steward Soundview Park with Friends of Soundview Park! Join clean-up and stewardship sessions every Tuesday from 10am-2pm, meeting at Lafayette Avenue and Colgate Avenues. For details, email yyimjcj@aol.com.

[Learn More](#)

SECOND SATURDAYS · LA FINCA DEL SUR

Join La Finca Del Sur for monthly community workdays, held from 10 a.m. to 3 p.m. on the second Saturday of every month. Care for the farm, gain hands-on gardening and composting practice, build community, and more!

[Learn More](#)

GET YOUR HANDS DIRTY · THE MISSION CONTINUES

Volunteer with The Mission Continues to support community gardens across the Bronx! The Bronx Operation's focus is on environmental restoration and preservation to support improvements along the waterfront and underused green spaces in the South Bronx area. Partners include Rincon Criollo Community Garden, Bronx Sunshine Garden, and The Bronx County Historical Society.

[Learn More](#)

FOREST & WETLAND RESTORATION · NYC PARKS STEWARDSHIP

Volunteer with NYC Parks Stewardship to support forest and wetland restoration across the city. Help plant and prune street trees, propagate native seeds, and monitor local wildlife while learning more about the city's natural landscape. Want to lead your own stewardship projects? Volunteering is the first step to become a Super Steward.

[Learn More](#)

GARDEN & PARK RENOVATION · NEW YORK RESTORATION PROJECT

Volunteer with New York Restoration project to renovate gardens, restore parks, plant trees, promote urban agriculture, and build a greener, more resilient city. Find a community garden near you, or register online to assist with forest stewardship, wetland stewardship, gardening, composting, and litter removal in focus parks.
