

BULLETIN

or

THE NEW YORK

BOTANICAL GARDEN.

CONTENTS:

REPORT OF THE SECRETARY AND DIRECTOR-IN-CHIEF FOR 1898.	171
APPENDIX I. ACCESSIONS OF MATERIAL.	185
APPENDIX 2. SCHEDULE OF EXPENDITURES DURING 1898 UNDER APPROPRIATIONS MADE BY THE BOARD OF MANAGERS.	193
APPENDIX 3. LISTS OF PLANTS IN THE GROUNDS, 1898.	305
REPORT OF THE COMMITTEE ON PATRONS, FELLOWS AND ANNUAL MEMBERS, SUBMITTED JANUARY 9, 1899, INCLUDING LIST OF ANNUAL MEMBERS.	243
REPORT OF THE HONORARY CURATOR OF THE ECONOMIC COLLECTIONS TO THE BOARD OF SCIENTIFIC DIRECTORS.	252
BOTANICAL CONTRIBUTIONS:	
DESCRIPTION OF A NEW STRAWCROP FROM MEXICO, BY N. L. BRITTON.	557
THE CRISPLOSE WILLOWS OF ARCTIC AMERICA AND THE ROCKY MOUNTAINS, BY P. A. RYDBERG.	257
UNDESCRIPTED PLANTS OF THE SOUTHERN UNITED STATES, BY JOHN K. SMALL.	276
NEW GRASSES FROM THE SOUTHERN UNITED STATES, BY GEO. V. NASH.	290
REPRODUCTIONS OF PHOTOGRAPHS TAKEN WITHIN THE GROUNDS, PLATES 3-8.	295

APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR MUSEUM AND HERBARIUM MATERIAL.	
Appropriated,.....	\$1,500.00
Expended,.....	<u>1,497.27</u>
Balance,.....	<u>\$2.73</u>
APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR LECTURES.	
Appropriated,.....	\$200.00
Expended,.....	<u>196.85</u>
Balance,.....	<u>\$3.15</u>
APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR BULLETIN.	
Appropriated,.....	\$500.00
Expended,.....	<u>490.60</u>
Balance,.....	<u>\$9.40</u>
APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR LIBRARY.	
Appropriated,.....	\$330.00
Expended,.....	<u>353.17</u>
Balance,.....	<u>\$26.83</u>
APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR CONTINGENT FUND.	
Appropriated,.....	\$360.00
Expended,.....	<u>358.49</u>
Balance,.....	<u>\$1.51</u>
APPROPRIATION FOR SURVEYING OUTFIT.	
Appropriated,.....	\$400.00
Expended,.....	<u>389.95</u>
Balance,.....	<u>\$10.05</u>
APPROPRIATION FOR TYPEWRITER.	
Appropriated,.....	\$100.00
Expended,.....	<u>100.00</u>
APPROPRIATION FOR SAFE.	
Appropriated,.....	\$100.00
Transferred,.....	<u>100.00</u>
APPROPRIATION FOR MOWING-MACHINE.	
Appropriated,.....	\$40.00
Expended,.....	<u>40.00</u>
APPROPRIATION FOR EQUIPMENT OF STABLE.	
Appropriated,.....	\$700.00
Expended,.....	<u>664.85</u>
Balance,.....	<u>\$35.15</u>

Appendix 3.—Lists of Plants in the Grounds, 1898.

APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR MUSEUM AND HERBARIUM MATERIAL.

Appropriated,..... \$1,500.00
Expended,..... 1,497.27
Balance,..... \$2.73

APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR LECTURES.

Appropriated,..... \$200.00
Expended,..... 196.85
Balance,..... \$3.15

APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR BULLETIN.

Appropriated,..... \$500.00

Expended,..... 40.00

APPROPRIATION FOR EQUIPMENT OF STABLE.

Appropriated,..... \$700.00
Expended,..... 664.85
Balance,..... \$35.15

A. WILD FLORA.

Subkingdom 3.—BRYOPHYTA.*

Class 1. HEPATICAE.—Liver-worts.†

Dicranum scoparium.
Leucobryum glaucum.
Orthotrichum Ohioense.
Weisia Americana.

Ptychomitrium incurvum.
Hedwigia albicans.
Funaria hygrometrica.
Physcomitrium turbinatum.
Barbula unguiculata.

Bryum argenteum.
caespiticium.
Leptobryum pyriforme.
Mnium cuspidatum.

Anomodon attenuatus.
Leskeia obscura.
Thuidium paludosum.
Climacium Americanum.

Cirriphyllum Bosci.
Brachythecium oxycladon dentatum.
Plagiothecium denticulatum.
elegans.

Rhizostegium microcarpum.
Hypnum Haldanianum.
cupressiforme.

molluscum.

APPROPRIATION FOR SCIENTIFIC DIRECTORS, FOR MUSEUM AND HERBARIUM MATERIAL.

* The Mycetozoa and the Thallophyta (Algae, Fungi and Lichens) of the tract have been considerably collected and studied, but their enumeration is deferred until the lists are more complete. The list of Bryophyta will be enlarged by subsequent study.

† Collected and determined by Marshall A. Howe.

‡ Collected and determined by Elizabeth G. Britton.

Dryopteris marginalis.	EQUISHTACEAE.—Horsetail Family.
Noveboracensis.	
spinulosa intermedia.	
Thelypteris.	
Onoclea sensibilis.	
Phegopteris hexagonoptera.	
Phegopteris.	
Polypodium vulgare.	
	Subkingdom 5.—SPERMATOPHYTA.*
Class 1. GYMNOSPERMÆ.	
PINACÆ.—Pine Family.	
Juniperus Virginiana.	Ciuna arundinacea.
Larix laricina.	Dactylis glomerata.
Pinus Strobus.	Danthonia compressa.
Tsuga Canadensis.	
Picea excelsa.	
Class 2. ANGIOSPERMÆ.	
Subclass 1. MONOCOTYLEDONES.	
TYPIACÆ.—Cat-tail Family.	
Typha latifolia.	Eatonia nitida.
SPARGANIACEÆ.—Bur-reed Family.	Pennsylvanica.
Sparganium eurycarpum.	Elymus Canadensis.
ALISMACHÆ.—Water Plantain	Eragrostis capillaris.
I. family.	hypooides.
Alisma Plantago-aquatica.	pectinacea.
Sagittaria latifolia.	Purshii.
GRAMINEÆ.—Grass Family.	Festuca elatior.
Agropyron repens.	octoflora.
Agrostis alba.	Holcus lanatus.
intermedia.	Homalocenthrus oryzoides.
Andropogon scoparius.	Virginicus.
Virgínicus.	Hystrix Hystrix.
Anthoxanthum odoratum.	Lotium italicum.
Aristida dichotoma.	pereenne.
gracilis.	Muhlenbergia diffusa.
Avena sativa.	Mexicana.
Bromus racemosus.	sobolifera.
Cenchrus tribuloides.	Panicularia acutiflora.
Calamagrostis Canadensis.	brachyphylla.
Chaetochloa glauca.	Canadensis.
	fluitans.
	nervata.
	pallida.
	Panicum agrostoides.
	Atlanticum.
	barbulatum.
	capillare.
	Gattingeri.
	clandestinum.
	Bicknellii.
	commutatum.
* Native plants in roman; naturalized and adventive plants in italic.	
Panicum commutatum minor.	Carex pedicellata.
Crus-galli.	Pennsylvanica.
depauwératum.	pubescens.
dichotomum.	rosea.
elongatum.	scoparia.
Ensini.	sparganioides.
macrocarpon.	squarrosa.
miliaceum.	sterilis.
minus.	stipata.
Porterianum.	stricta.
proliferum.	tenuiculata.
pubescens.	triceps.
sphaerocephalon.	typhinooides.
tsugetorum.	varia.
Walteri.	virescens.
Paspalum pubescens.	vulpinoïden.
setaceum.	xanthocarpa.
Phalaris arundinacea.	Cyperus diandrus.
Phleum pratense.	esculentus.
Poa annua.	filiculmis.
compressa.	strigosus.
flava.	Eleocharis ovata.
pratensis.	tenuis.
Sporobolus vaginellorus.	Scirpus atrocireus.
Syntherisma filiformis.	lacustris.
linearis.	planifolius.
sanguinalis.	ARACHÆ.—Arum Family.
Tricuspides sesleriorum.	Acorus Calamus.
CYPERACÆ.—Sedge Family.	Arisaema triphyllum.
Carex Asa-Grayi.	Peltandra Virginica.
cephalophora.	Spathiphyllum foetida.
costellata.	LEMMACÆ.—Duckweed Family.
crinita.	Lemna minor.
cristatella.	PONTIIDIACÆ.—Pickerel-weed
digitalis.	Family.
flexilis.	Pontederia cordata.
gracillima.	JUNCACÆ.—Rush Family.
grisea.	Juncoides campestre.
hystricina.	Juncus effusus.
lanuginosa.	tenuis.
laxiculmis.	MELANTHACÆ.—Dutch-flower
laxiflora.	Family.
blanda.	Uvularia sessilifolia.
patulifolia.	Verastrum viride.
	LILIACÆ.—Lily Family.
	Allium vineale.
	Lithothrium Americanum.

<i>Hemerocallis fulva.</i>	Populus tremuloides.
<i>Lilium Canadense.</i>	<i>Salix alba vitellina.</i>
superbum.	discolor.
<i>Ornithogalum umbellatum.</i>	<i>Chenopodium album.</i>
<i>Convallariaceae.</i> —Lily-of-the-Valley Family.	<i>Chenopodium ambrosioides.</i>
<i>Asparagus officinalis.</i>	<i>Betula rugosa.</i>
<i>Medeola Virginiana.</i>	<i>Betula lenta.</i>
<i>Polygonatum biflorum.</i>	<i>populifolia.</i>
commutatum.	<i>Carpinus Caroliniana.</i>
<i>Trillium cernuum.</i>	<i>Corylus Americana.</i>
<i>Unifolium Canadense.</i>	<i>FAGACEAE.</i> —Beech Family.
<i>Vagnera racemosa.</i>	<i>Castanea dentata.</i>
<i>Smilacaceae.</i> — <i>Smilax</i> Family.	<i>Fagus Americana.</i>
<i>Smilax herbacea.</i>	<i>Quercus alba.</i>
<i>rotundifolia.</i>	coccinea.
<i>AMARYLLIDACEAE.</i> —Amaryllis Family.	palustris.
<i>Hypoxis hirsuta.</i>	platanoides.
<i>Dioscoreaceae.</i> —Yam Family.	rubra.
<i>Dioscorea villosa.</i>	velutina.
<i>Iridaceae.</i> —Iris Family.	<i>Ulmaceae.</i> —Elm Family.
<i>Iris versicolor.</i>	<i>Celtis occidentalis.</i>
<i>Sisyrinchium angustifolium.</i>	<i>Ulmus Americana.</i>
graminoides.	<i>MORACEAE.</i> —Mulberry Family.
<i>Cyrostachys cernua.</i>	<i>Morus rubra.</i>
gracilis.	<i>URTICACEAE.</i> —Nettle Family.
<i>Habenaria lacera.</i>	<i>Boehmeria cylindrica.</i>
<i>Saururus cernuus.</i>	<i>Urticastrum divaricatum.</i>
<i>Juglandaceae.</i> —Walnut Family.	<i>SANTALACEAE.</i> —Sandalwood Family.
<i>Hicoria alba.</i>	<i>Comandra umbellata.</i>
microcarpa.	<i>Family.</i>
ninima.	<i>Nymphaeaceae.</i> —Water-lily Family.
ovata.	<i>Scleranthus annuus.</i>
<i>Juglans cinerea.</i>	<i>Silene Caroliniana.</i>
nigra.	<i>NYMPHACEAE.</i> —Water-lily Family.
<i>Myricaceae.</i> —Bayberry Family.	<i>Liriodendron Tulipifera.</i>
<i>Comptonia peregrina.</i>	<i>RANUNCULACEAE.</i> —Crowfoot Family.
<i>Myrica Carolinensis.</i>	<i>Anemone quinquefolia.</i>
<i>Salicaceae.</i> —Willow Family.	<i>Virginia.</i>
<i>Populus alba.</i>	<i>Aquilegia Canadensis.</i>
grandidentata.	<i>Clematis Virginiana.</i>

<i>Lauraceae.</i> —Laurel Family.	<i>LAURACEAE.</i> —Laurel Family.
<i>Benzoin Benzoin.</i>	<i>Benzoin Benzoin.</i>
<i>Sassafras Sassafras.</i>	<i>FUMARIACEAE.</i> —Bleeding-heart Family.
nigra.	<i>Bicuculla Cucullaria.</i>
petiolaris.	<i>Capnodies sempervirens.</i>
sericea.	<i>CRUCIFERAE.</i> —Mustard Family.
<i>BETULACEAE.</i> —Birch Family.	<i>Arabis Canadensis.</i>
<i>Alnus rugosa.</i>	<i>Barbara Barbara.</i>
<i>Betula lenta.</i>	<i>Portulacaceae.</i> —Purslane Family.
<i>populifolia.</i>	<i>Portulaca oleracea.</i>
<i>Carpinus Caroliniana.</i>	<i>Bursa Bursa-pastoris.</i>
<i>Corylus Americana.</i>	<i>PORTULACACEAE.</i> —Purslane Family.
<i>FAGACEAE.</i> —Beech Family.	<i>Portulaca oleracea.</i>
<i>Castanea dentata.</i>	<i>Burra Burra-pastoris.</i>
<i>Fagus Americana.</i>	<i>CRYPOTHYLLACEAE.</i> —Pink Family.
<i>Quercus alba.</i>	<i>Alsine graninica.</i>
coccinea.	<i>longifolia.</i>
palustris.	<i>Anychia Canadensis.</i>
platanoides.	<i>media.</i>
rubra.	<i>Anychia serpyllifolia.</i>
velutina.	<i>Saponaria officinalis.</i>
<i>ULMACEAE.</i> —Elm Family.	<i>Scleranthus annuus.</i>
<i>Celtis occidentalis.</i>	<i>Silene Caroliniana.</i>
<i>Ulmus Americana.</i>	<i>NYMPHACEAE.</i> —Water-lily Family.
<i>MORACEAE.</i> —Mulberry Family.	<i>Castalia odorata.</i>
<i>Morus rubra.</i>	<i>Nymphaea Kalmiana.</i>
<i>URTICACEAE.</i> —Nettle Family.	<i>MAGNOLIACEAE.</i> —Magnolia Family.
<i>Boehmeria cylindrica.</i>	<i>Liriodendron Tulipifera.</i>
<i>Urticastrum divaricatum.</i>	<i>RANUNCULACEAE.</i> —Crowfoot Family.
<i>SANTALACEAE.</i> —Sandalwood Family.	<i>Anemone quinquefolia.</i>
<i>Comandra umbellata.</i>	<i>Virginia.</i>
<i>Family.</i>	<i>Aquilegia Canadensis.</i>
<i>JUGLANDACEAE.</i> —Walnut Family.	<i>Clematis Virginiana.</i>
<i>Hicoria alba.</i>	<i>Hepatica Hepatica.</i>
microcarpa.	<i>Ranunculus abortivus.</i>
ninima.	<i>acris.</i>
ovata.	<i>bulbosus.</i>
<i>Juglans cinerea.</i>	<i>sagittatum.</i>
nigra.	<i>hispidus.</i>
<i>MYRICACEAE.</i> —Bayberry Family.	<i>obtusiusculus.</i>
<i>Comptonia peregrina.</i>	<i>recurvatus.</i>
<i>Myrica Carolinensis.</i>	<i>septentrionalis.</i>
<i>SALICACEAE.</i> —Willow Family.	<i>Syndesmon thalictroides.</i>
<i>Populus alba.</i>	<i>Thalictrum polygamum.</i>
grandidentata.	villosum.

POMACEAE.—Apple Family.	ANACARDIACEAE.—Sumac Family.
<i>Crataegus Oxyacantha.</i>	<i>Rhus glabra.</i>
<i>Malus Malus.</i>	<i>radicans.</i>
<i>Pyrus communis.</i>	<i>Ilex verticillata.</i>
DRUPACEAE.—Plum Family.	<i>Celastraceae.—Staff-tree Family.</i>
<i>Prunus Avium.</i>	<i>Celastrus scandens.</i>
<i>serotina.</i>	<i>Euonymus Americanus.</i>
CASUARINACEAE.—Senna Family.	<i>STAPHYLACEAE.—Bladder-nut Family.</i>
<i>Cassia nictitans.</i>	<i>Staphylea trifolia.</i>
<i>Gleditsia triacanthos.</i>	<i>Acer rubrum.</i>
PAPILIONACEAE.—Pea Family.	<i>saccharinum.</i>
<i>Apis Apis.</i>	<i>Saccharatum.</i>
<i>Crotalaria sagittalis.</i>	<i>Impatiens biflora.</i>
FALCATA comosa.	<i>RHAMNACEAE.—Buckthorn Family.</i>
<i>Lathyrus palustris.</i>	<i>Ceanothus Americana.</i>
<i>Lespedeza frutescens.</i>	<i>Daucus Carolz.</i>
<i>procumbens.</i>	<i>Cicuta maculata.</i>
<i>Medicago lupulina.</i>	<i>Derwinga Canadensis.</i>
<i>nudiflora.</i>	<i>Hydrocotyle Americana.</i>
<i>paniculata.</i>	<i>Pasiflaca sativa.</i>
<i>Melilotus alba.</i>	<i>Sanicula Canadensis.</i>
<i>officinalis.</i>	<i>Washingtonia Claytoni.</i>
<i>Robinia Pseudacacia.</i>	<i>CORNACEAE.—Dogwood Family.</i>
<i>Trifolium agrarium.</i>	<i>Cornus alternifolia.</i>
<i>hybridum.</i>	<i>Anemone flaccida.</i>
<i>pratense.</i>	<i>candidissima.</i>
<i>Vicia tetrasperma.</i>	<i>Nyssa sylvatica.</i>
GERANIACEAE.—Geranium Family.	<i>CLETHRACEAE.—White-Alder Family.</i>
<i>Geranium maculatum.</i>	<i>Clethra alnifolia.</i>
OXALIDACEAE.—Wood sorrel Family.	<i>PYROLACEAE.—Wintergreen Family.</i>
<i>Oxalis cymosa.</i>	<i>Chimaphila maculata.</i>
LINACEAE.—Flax Family.	<i>Pyrola elliptica.</i>
<i>Linum Virginianum.</i>	<i>MONOTROPACEAE.—Indian Pipe Family.</i>
SIMARUBACEAE.—Ailanthus Family.	<i>Myosotis laxa.</i>
<i>Ailanthus glandulosa.</i>	<i>BORAGINACEAE.—Dorage Family.</i>
POLYGALACEAE.—Milkwort Family.	<i>Cuscuta Gronovii.</i>
<i>Polygala verticillata.</i>	<i>VERBENACEAE.—Verbain Family.</i>
EUPHORBIACEAE.—Spurge Family.	<i>Verbena urticifolia.</i>
<i>Acalypha Virginia.</i>	<i>LABIATAE.—Mint Family.</i>
Euphorbia maculata.	<i>Glechoma hederacea.</i>

<i>OLEACEAE.—Olive Family.</i>	<i>Fraxinus Americana.</i>
<i>Onagra biennis.</i>	<i>Penusyvanica.</i>
ARALIACEAE.—Ginseng Family.	<i>Syringa vulgaris.</i>
<i>Aralia nudicaulis.</i>	<i>GENTIANACEAE.—Gentian Family.</i>
<i>racemosa.</i>	<i>Gentiana Andrewsii.</i>
<i>Panax trifolia.</i>	<i>APOCYNACEAE.—Dogbane Family.</i>
UMBELLIFERAE.—Carrot Family.	<i>Apocynum cannabinum.</i>
<i>Cicuta maculata.</i>	<i>Gentiana minor.</i>
<i>Daucus Carolz.</i>	<i>ASCLEPIADACEAE.—Milkweed Family.</i>
<i>Derwinga Canadensis.</i>	<i>Asclepias decumbens.</i>
<i>Hydrocotyle Americana.</i>	<i>exaltata.</i>
<i>Pasiflaca sativa.</i>	<i>pulchra.</i>
<i>Sanicula Canadensis.</i>	<i>Syriaca.</i>
<i>Washingtonia Claytoni.</i>	<i>CONVOLVULACEAE.—Morning-Glory Family.</i>
CORNACEAE.—Dogwood Family.	<i>Convolvulus Sepium.</i>
<i>Cornus alternifolia.</i>	<i>CUSCUTACEAE.—Dodder Family.</i>
<i>Anemone flaccida.</i>	<i>Cuscuta Gronovii.</i>
<i>Sarothra gentianoides.</i>	<i>BORAGINACEAE.—Dorage Family.</i>
CISSACEAE.—Rock-rose Family.	<i>Myosotis laxa.</i>
<i>Helianthemum Canadense.</i>	<i>VERBENACEAE.—Verbain Family.</i>
<i>Lechea intermedia.</i>	<i>Verbena urticifolia.</i>
<i>Leggetti.</i>	<i>LABIATAE.—Mint Family.</i>
<i>VIOLACEAE.—Violet Family.</i>	<i>Glechoma hederacea.</i>
<i>Viola blanda.</i>	<i>Hedcone pulegioides.</i>
<i>amoena.</i>	<i>Koellia mutica.</i>
<i>cucullata.</i>	<i>Leonurus Cardiac.</i>
<i>Labradorica.</i>	<i>Lycopus rubellus.</i>
<i>obliqua.</i>	<i>Virginicus.</i>
<i>ovata.</i>	<i>Nicotia Cataria.</i>
<i>palmata.</i>	<i>Origanum vulgare.</i>
<i>dilatata.</i>	<i>Prunella vulgaris.</i>

<i>Scutellaria lateriflora.</i>	Viburnum dentatum.
<i>Trichostema dichotomum.</i>	<i>Lentago.</i>
SOLANACEAE.—Potato Family.	<i>prunifolium.</i>
<i>Physalis heterophylla.</i>	CUCURBITACEAE.—Gourd Family
<i>Solanum Dulcamara.</i>	<i>Sicyos angulatus.</i>
SCROPHULARIACEAE.—Figwort Family.	CAMpanulACEAE.—Bell-flower
<i>Gerardia tenuifolia.</i>	<i>Family.</i>
<i>Gratiola Virginiana.</i>	<i>Campbellia aparinoides.</i>
<i>Linaria Canadensis.</i>	<i>Specularia perfoliata.</i>
<i>Melampyrum lineare.</i>	<i>Lobelia inflata.</i>
<i>Mimulus ringens.</i>	<i>sypilitica.</i>
Pedicularia Canadensis.	CICHORIACEAE.—Chicory Family
<i>Pedicularia Canadensis.</i>	<i>Adopogon Carolinianum.</i>
<i>Scrophularia leporella.</i>	<i>Cichorium Intybus.</i>
<i>Marylandica.</i>	<i>Hieracium Gronovii.</i>
<i>Scrophularia leporella.</i>	<i>paniculatum.</i>
<i>Marylandica.</i>	<i>venosum.</i>
<i>Veronica Chamœdyss.</i>	<i>Lactuca Canadensis.</i>
<i>officinalis.</i>	<i>Leontodon autumnale.</i>
<i>peregrina.</i>	<i>Nabalus trifoliolatus.</i>
<i>serpyllifolia.</i>	<i>Taraxacum erythrospermum.</i>
OROBANCHACEAE.—Broom-rapé Family.	OphiOGLOSSACEAE.
<i>Leptanum Virginianum.</i>	<i>Botrychium dissectum.</i>
<i>Thalesia uniforma.</i>	<i>lanceolatum.</i>
BIGNONIACEAE.—Trumpet-Creeper Family.	<i>obliquum.</i>
<i>Tecoma adansonii.</i>	<i>Aster cordifolius.</i>
PHRYMACEAE.—Lopseed Family.	<i>Arctium minus.</i>
<i>Phryma Leptoachya.</i>	<i>Aster cordifolius.</i>
PLANTAGINACEAE.—Plantain Family.	<i>Polycephalus.</i>
<i>Plantago lanceolata.</i>	<i>divaricatus.</i>
<i>Ruegeli.</i>	<i>ericooides.</i>
RUBIACEAE.—Madder Family.	<i>lateraliflorus.</i>
<i>Cephaelanthus occidentalis.</i>	<i>Lowrieanus.</i>
<i>Gaulium Aparine.</i>	<i>macrophyllus.</i>
<i>circaeans.</i>	<i>multiflorus.</i>
<i>Mollugo.</i>	<i>Novae-Angliae.</i>
<i>tinctorium.</i>	<i>punicipes.</i>
<i>Mitchella repens.</i>	<i>Tradescanti.</i>
CAPRIFOLIACEAE.—Honeysuckle Family.	<i>undulatus.</i>
<i>Sambucus Canadensis.</i>	<i>viminous.</i>
Viburnum acerifolium.	<i>Bidens bipinnata.</i>

<i>Cardus arvensis.</i>	Helianthus strumosus.
<i>discolor.</i>	<i>Leptilon Canadense.</i>
<i>nutiticus.</i>	<i>Rudbeckia hirta.</i>
<i>Chrysanthemum Leucanthemum.</i>	<i>laciniate.</i>
<i>Parthenium.</i>	<i>Senecio aureus.</i>
<i>Erechtites hieracifolia.</i>	<i>Solidago bicolor.</i>
<i>Erigeron annuus.</i>	<i>caesia.</i>
<i>Pulchellus.</i>	<i>Canadensis.</i>
<i>ramosus.</i>	<i>junccea.</i>
<i>Eupatorium ageratoides.</i>	<i>nemoralis.</i>
<i>maculatum.</i>	<i>patula.</i>
<i>perfoliatum.</i>	<i>rugosa.</i>
<i>purpureum.</i>	<i>serotina.</i>
<i>Euthamia graminifolia.</i>	<i>Vernonia Noveboracensis.</i>
<i>Helianthus giganteus.</i>	<i>Willughbeiae scandens.</i>
